

V2G06 - INDUSTRY ENGAGEMENT REQUIREMENTS AND STRATEGIES

www.velgtraining.com/events/1331

COURSE INFORMATION

Our *Industry Engagement Requirements and Strategies* module covers the key requirements of industry engagement, the purpose behind the process, why it is essential and the impact it has on the training and assessment services provided by RTOs.

This Velg2Go module will focus on defining what industry engagement actually is, and why we need it. It will explore the process of effectively engaging with industry representatives and the documentation of those activities, as well as the importance of acting upon the outcomes of those activities and applying systematic improvements as a result.

TOPICS COVERED

- What is industry engagement?
- What do the Standards require?
- Effective industry engagement strategies
- Documenting outcomes
- Apply systematic improvements

The flexibility offered by Velg2Go enables you the personalised option of choosing your own pace... You can revisit the learning material over the entire course period or tackle all the content at once – ultimately, how you Velg2Go is your choice.
